Objective

I'm seeking a position where I will be able to further my skills as a web developer and add to a positive work environment. I'm highly motivated to overcome obstacles that may introduce themselves.

Skills

- HTML, CSS, Javascript, Node.js, React.js, JSX
- Consistently productive and dependable
- Quick to learn new skills, and adaptable to new organizational systems, policies, and rules
- Exceptional work ethic

Work Experience

Texas Honey Ham Company | Austin, TX   August 2017 - Present
Manager
- Developed communication skills suitable for a fast paced and diverse work environment
- Resolved concerns and/or complaints with patrons
- Management of 20 staff members, including position selection and on the fly decision making

Education

Austin Coding Academy | Austin, TX   November 2020 - Present
- Coursework in Full Stack Development
- HTML, CSS, Javascript, Node.js, and React.js

Austin Community College | Austin, TX   August 2016 - December 2018
- AAS Music Business
- Coursework in Business and Audio Engineering

University of Texas at San Antonio | San Antonio, TX   Aug. 2014 - May 2015
- Coursework in Mechanical Engineering
